PROFILE SUMMARY

Junior Software Developer dedicated to improving skills through hands-on learning and development work. Proficient in web development environments. Adept at using JavaScript, React, Express.js and other technologies to produce clean code. Well-organized and collaborative team player with strong communication and analytical abilities. Love learning new technologies as well as developing my skills in already known languages and frameworks.

PROFESSIONAL SKILL

Curious	Passionate
Hard-working	Communicative

TECHNICAL SKILL

JavaScript	Express.js
GraphQL	React
SQL	HTML/CSS

EDUCATION

University of Kansas / Development Bootcamp   2021–2022

Learned how to communicate and collaborate with other software engineers and personals. Worked hard in a fast paced environment to learn and understand new technologies. Investigated technical challenges to identify root cause and provide expedient resolutions.

Grand Canyon University / Cyber Security   2019 – 2021

Spent a year learning the basics of networking and cybersecurity. Also, completing entry level general education courses.

WORK EXPERIENCE

Crew Leader   2021–2022
Lets Get Moving LLC.
- Delegated tasks to crew members to efficiently complete tasks.
- Lead and oversaw crews to deliver the best experience to the customer as possible.
- Worked with the customer to determine an appropriate cost for their moves.
